THE FOUNDERS

On June 7, 2004, the idea of creating a charitable organization by Filipinos living overseas began in Sun Star Forum, an online discussion board about the Philippines. A vision to help alleviate the many problems facing poor Filipinos was discussed, which led to the formation of the "Founders Circle" with nine original members located in different parts of the world.

Online meetings were held to further discuss the concept and to define the goals and objectives of the organization. On July 22, 2004, MoveOnPhilippines was born and five days later the website was launched. Officers were elected on August 15, 2004.

On January 7, 2005, Move on Philippines International, Inc. was incorporated in the state of Florida as a nonprofit charitable organization. In July 2005, the Internal Revenue Service approved Move On Philippines' application for tax-exempt status under section 501(c)(3) of the Internal Revenue Code.

**IDA MORTILLERO, Chair-
man of the Board.** Ms.

Mortillero is Founder and Senior Minister of Jesus Fellowship in Japan. A full-time ordained minister since December 1998, she oversees the overall programs and projects of the Filipino ministry in Japan and trains ministry workers. Ms. Mortillero is a member of the board of directors of Iruma Aino Kyokai, a Japanese Christian Organization.

She heads projects catering to the emotional and spiritual needs of the Filipinos in Tokyo through seminars, counseling and teaching. She works closely with the Japanese Ministry in meeting the emotional and spiritual needs of Japanese nationals married to Filipinos. Currently Ms. Montillero administers the Fellowship's Audio/Video International School for members of the congregation.

**WARLITO VICENTE JR.,
President and Chief Operat-
ing Officer.**

Warlito Vicente is presently Research Director for the LifeCare Medical Center, a health care provider in New York and New Jersey. Prior to his current post, Warlito was Research Associate for the Medical Acupuncture Research and Institute of America of Memphis, Tennessee. He was formerly Systems Support Administrator of Burmeister and Waine Scandinavian Contractor Mindanao Inc (BWSCMI), a

Danish Independent Power Producer that operates power barges in Mindanao. From 1994-1997, Warlito was Division Manager of the Investment Generation and Project Development of Davao Investment Promotion Center/"Invest In Davao," a collaborative program of the City Government of Davao, USAID and the Philippine Exporters Confederation which transformed Davao City from an economic backwater into what Asiaweek called "The Philippines Most Liveable City". Warlito holds a Bachelors degree in Biology from the Ateneo de Davao University.

**DOREEN FLIPPIN, Vice
President and Chief Financial
Officer.**

Doreen Flippin is Vice President for Administration of The Arthur Vining Davis Foundations, a national philanthropic organization that provides assistance to educational, cultural, scientific and religious institutions in the United States. Prior to her current post, Doreen served as Grants Administrator and Communications Officer for the Foundations. She was previously Executive Assistant to

the President and Chief Executive Officer of Florida National Banks of Florida, Inc., a banking organization with \$7.65 billion in assets and 185 offices in Florida. Doreen also held administrative positions in the Trust Department and Business Banking area of Florida National Bank. She is a member of First Coast Asian American Chamber of Commerce and the Visayas-Mindanao Association of Northeast Florida. Doreen attended Far Eastern University and Lyceum of the Philippines.

KAREN O'NEAL, Corporate Secretary and Director for Communications. Karen Canoy-O'Neal is currently working as an Office Assistant for the City of Healdsburg Community Development Center. Prior to her current post, she was the Executive Assistant to the President of Mercury Int'l, a promotional marketing and packaging company in Cotati, CA.

She also served as the Manufacturing Coordinator and Executive Assistant to the CEO for PNI Corp. in Santa Rosa, CA. She held various administrative positions in The Village Retirement Community in Hemet, CA before relocating to Sonoma County in 2001. She was an Account Executive for What's On - Expat Phil Guide magazine and Unchuan Development Corp. in Cebu, Philippines before migrating to the US. She attended in Santa Rosa Junior College in California and University of San Carlos in the Philippines.

FELIX L. OCON, Program Administrator. Felix Ocon is a single Christian and presently Science Research Assistant at National Abaca Research Center (NARC), Leyte State University (LSU), Visca, Baybay, Leyte, Philippines. In this position, Felix travels all over the country. Currently, he is conducting a research study on the varietal improvement of Abaca entitled "Collection, Morphological Characterization and Maintenance of Abaca Germplasm". Felix's past research work includes: (1) the Improvement of Sweet Potato variety, a collaborative study of IDRC/IRCP and Visca; (2) Profiling the Poverty Status of Western Samar, a joint study of NEDA-Visca; and (3) Profiling Upland Agriculture and Fisheries supported by CVRP-Eastern Visayas/Visca. Felix completed his undergraduate studies at LSU holding a Bachelor of Science degree in Agriculture, majoring in Agronomy. He is currently pursuing master studies in Horticulture as Major and Education as Minor. Felix is an active member of Lakas-Angkan Ministry, Inc.-Leyte Based, a Christian campus ministry. His work in the ministry includes sharing the Gospel (Word of God), conducting Bible studies, teaching Sunday School, following-up on new converts, visiting outreach projects and other related Christian activities.

ORGANIZATION AND PURPOSE

Move On Philippines International, Inc. is a charitable, non-profit organization providing assistance to Filipinos without discrimination based on religious beliefs, class or political opinions.

Move On Philippines International, Inc. implements its programs based on the following principles:

- * *Children are leaders of tomorrow. Children must be equipped with better education to help prepare them for the future.*
- * *The country's future success depends on an educated and well-informed citizenry. Investing in the education of children is tantamount to ensuring the country's future success.*
- * *Giving back to the community is a duty of every citizen. Filipino expatriates who have been blessed with more must share their blessings with the less fortunate.*

Volunteers from Baguio Fil-am Association and CPOA Tidewater packing resources for shipping to beneficiaries in University of Southern Mindanao - Kabacan

Operation

Move On Philippines International, Inc. operates in Jacksonville, FL and does not have salaried officers and employees. It is composed of volunteers who do not receive compensation for their work. The Board of Trustees meets at least three times a year to discuss operations, applications, etc., and approve beneficiaries.

Move On Philippines rely solely on generous donations by people who share our goal - - improving the quality of education for poor Filipino children.

Donated books and toys for students of Lower Sirib Day Care Center in Sirib, Calinan, Davao City

Sources of Funds and Cost of Administration

The organization's assets come solely from cash and/or material donations.

Cash donations are used to cover shipping costs of donated materials to beneficiaries and miscellaneous administrative costs such as post office box rental and website hosting.

Material donations include new or used library books, textbooks, dictionaries, thesaurus, encyclopedias, TV, VCR/ DVD players, desktop and laptop computers and printers. Educational software programs are also accepted. Any other school items donated such as classroom supplies and used clothes are also accepted.

MoveOnPhilippines consists of unpaid volunteers and officers. Therefore, donations are used to pay for projects and not payrolls.

The dividing line between rich and poor in the Philippines today is education. When Filipino children live in poverty, literacy becomes a critical link in a chain that can either tie children to a life of poverty or be used to pull them out of it.

For children living in poverty, every day is filled with challenges and missed opportunities. Move On Philippines believes that education is the best road to a better life for most of these children. With a strong educational foundation, children in even the most impoverished and remote communities have a chance at college, a career, and a ticket out of poverty.

DONORS (2005)

Move On Philippines International, Inc. would like to recognize our donors for their financial contributions and material donations. It is through the generosity of people like them that Move On Philippines is able to implement programs for helping poor Filipino children. To our partners, we offer our deepest gratitude and a most heartfelt THANK YOU.

The following have given monetary support to Move On Philippines:

- * Dr. and Mrs. Jose Roberto Abando, Daytona, FL
- * Nora Alday, New York City, NY
- * Roy and Zerimar Alday, Plainfield, CT
- * Ruben and Nilda Arellano, Fairview, NJ
- * Ken and Imelda Benipayo, Sicklerville, NJ
- * Isidro Bolado, Groton, CT

Focus: Move On Philippines Institutional Volunteers

CPOA: Cheap Pinoy Organization Amphibious

CPOA was created for the purpose of promoting camaraderie amongst Filipino Americans serving the US Navy. It was originally formed at Naval Amphibious Base, Little Creek, Virginia.

PROFILE:

Total members to date: 73

The organization is unique since the only elected officers are Treasurer and Secretary although in 2005, there was an elected Chairman (Mr. Joe Salonga) to take the lead on that year's Military Appreciation Night. CPOA has reverted back to just having the Treasurer and Secretary as officers for 2006.

Chairman (2005 only): Mr. Joe Salonga

Treasurer:

Outgoing: Mr. Flor Ragasa

Incoming (2006): Mr. Noli Corpuz

Secretary:

Outgoing: Ms. Milette Salonga

Incoming: Mr. Lee Parilla

During CPOA's annual Military Appreciation Night, the organization honors Fil-Ams who have served and are currently serving the nation's armed services. CPOA has had a guest speaker for each of the previous Appreciation Nights. These guest speakers are Fil-Am military folks (1st and 2nd generation Pinoys) who have excelled in their line of work. CPOA has participated in various community projects in the Tidewater area and is a strong supporter of various regional organizations in Hampton Roads.

HISTORY

In the summer of 1994, the Filipino Chief Community at Little Creek Amphibious Base, a small and closely-knit group, used to get together for "short" lunch breaks at the base galley. It was evident during these gatherings that everyone shared a feeling of fellowship with one another. It would have been unlikely for this group to snub a "kababayan" in uniform, much less not say a greeting or flash a smile to a "homeboy".

It was this same feeling of fellowship that prompted these Chiefs to talk about establishing a group for Filipino service members. They spread the word throughout the Tidewater area. Other naval installations (Oceana, Norfolk, Dam Neck) were strongly encouraged to join this unique organization. The response was overwhelmingly positive. The group discussed different ideas during numerous luncheons and picnics. Finally, on February 11, 1995, at the Philippine Cultural Center in Virginia Beach, the CPOA Limited of Tidewater was organized with the "proviso" that all military (active and retired) "Pinoys", regardless of paygrade, qualify for membership.

Twenty (20) Balikbayan boxes containing personal computers donated thru the efforts of Baguio Fil-ams of Tidewater, VA and CPOA of Tidewater. Regent Forex VA Beach Owner Joe Cabaccan provided shipping discounts for 22 boxes to Mindanao. Kneeling (L-R): John Dangos, President Baguio Fil-ams of Tidewater, Flor Ragasa, CPOA Outgoing Treasurer. Standing (L-R): Bing Bansen, Lee Bansen, Efren Monis, Sid Calimlim, Fred Claudio.

Mario, Efren & John at the packing station.

PROGRAMS

Education will help break the cycle of poverty that has trapped many Filipino families for generations. Through financial contributions, in-kind and/or material donations as well as collaborative efforts between local volunteers and Filipinos living overseas, Move On Philippines seeks to implement the following programs.

Adopt A School - - This program has three components: (1) Books for Classrooms and Libraries, (2) Technology for Learning, and (3) Classroom Supplies.

Books for Classrooms and Libraries - Many poor and remote areas in the Philippines do not have adequate books in their classrooms and public libraries. Move On Philippines will assist in providing educational materials for school classrooms in disadvantaged neighborhoods. Public libraries in remote rural areas also qualify for support under this program.

Technology for Learning - Move On Philippines will help schools in poor neighborhoods enhance teaching and learning by providing new or used computers, printers and educational software programs.

Classroom Supplies - Move On Philippines will provide basic classroom supplies such as notebooks, writing paper, pens and pencils, crayons, etc.

Entrance of Pangasugan Elementary School, Leyte

Special Projects - - Upon approval of Trustees, Move On Philippines will implement special projects that facilitate access to educational resources by a large number of beneficiaries.

Students of Guadalupe Elementary School, Leyte viewing video clips displayed by the encyclopedia software installed on a PC donated by Move On Philippines.

Library of Hilaan Elementary School, Leyte prior to applying for program assistance.

Emergency Relief - In times of natural disasters in the Philippines (earthquakes, typhoons, landslides and similar catastrophes), Move On Philippines will provide emergency relief to communities in need by coordinating shipments of used clothing and other basic necessities to communities in need.

POLICIES AND PROCEDURES

Because Manila and other major cities in the Philippines are in Luzon, there are numerous charitable organizations already serving the needs of Filipino citizens living in that region. Therefore, Move On Philippines will concentrate its efforts in the Visayas and Mindanao regions at this time. However, Trustees may approve special projects for the benefit of indigenous and poor children in very remote areas of Luzon.

APPLICATIONS

Beneficiaries in economically and geographically disadvantaged communities in Visayas and Mindanao are eligible to apply for support.

Applicants may submit a letter addressed to Move On Philippines International describing their school, community and prioritized list of the type of support needed (books, encyclopedias, computer, etc.). Also included are the name of the school or library, location (barangay, town, province), number of students and teachers, and telephone numbers. Information on the community (population size, sources of livelihood, etc.) is also required.

An application form is also available online at <http://www.moveonphil.org/beneficiaries.htm>.

Upon initial review of the application or letter request, Move On Philippines may ask for additional information to fully evaluate the application. A site visit by a program administrator or designated Move On Philippines representative may be conducted as part of the evaluation process.

TURNOVER REPORTS

Within a month after receipt of assistance, volunteers who facilitated the turnover are expected to provide a brief written progress report to the organization. The report contains the following information about the turnover: date, time, location, names and number of attendees, program of ceremonies (if any), narrative description of the turnover proceedings, comments from the beneficiaries, and photos of the event.

The joy in reading the donated books begins after the turnover, Guadalupe Elementary School, Leyte

The report will be kept on file and is also posted on the organization's website. Photos are also uploaded to the online photo gallery of the organization.

ADDRESS FOR REQUESTS

The letter and application can be sent via email (info@MoveOnPhil.org) or postal mail to:

Move On Philippines International, Inc.
P.O. Box 56792
Jacksonville, FL 32241-6792

For Additional Information:

FEEDBACK FROM APPLICANTS AND BENEFICIARIES

Impressions from Ray de Leon, Grade 6 Student of Guadalupe Elementary School, Leyte

"Hilaan Elementary School is located in a mountainous area approximately 13 kilometers from the municipality of Bontoc, Southern Leyte. Our teachers have very limited or no access at all to computers. They travel to the municipality of Sogod (6-7 kilometers away from Bontoc) to have their reports, exams and other instructional and visual materials encoded/processed or computerized. Our students have not seen a computer in their life." - - **Maria Villa O. Sumodlayon**, Teacher, Hilaan Elementary School, Barangay Hilaan, Bontoc, Southern Leyte.

"Our school library has books but they are very old. We do not have dictionaries and encyclopedias. Although computer cafes are available, it is expensive for us to have our reports, exams, programs and other classroom related typewritten from time to time. There is also a need for us to be updated with any informative educational tools such as software programs that will enrich teachers and students' knowledge. Availability of computer would enhance report making on time, school documentation, networking and other related school activities not to mention that it will also help improve the teaching quality in classrooms." - - **Ernesto B. Omolon**, Principal, Guadalupe Elementary School, Barangay Guadalupe, Baybay, Leyte.

"Since computer literacy is now being introduced in the curriculum, the school does not have enough computers to serve the students. Some graders even thought that computer monitors are TV sets. Their library is almost bare of books. Students have to look for books/encyclopedia elsewhere for their research projects. According to the principal, they needed books in English, math and science for references. The government can't fully support the schools for even the teachers' salaries are often delayed." - - **Mrs. Nene Remoquillo**, a local volunteer writing on behalf of Camanlangan Schools, Compostela Valley Province.

We humbly recognize your effort of giving books to our school the **GOV. VICENTE DUTERTE NATIONAL HIGH SCHOOL**, here in Davao City Philippines through **KINASANG'AN FOUNDATION**. **THANK YOU VERY MUCH...**for such noble endeavor. In behalf of our school, parents, faculty and staff and students...Thank your very much. - **Fortunato B. Sagayno**, Secondary School Head Teacher III, School In-Charge, Gov. Vicente Duterte National High School, Bangkal, Davao City

We, the teaching staff of Apolandia Elementary School, are thankful to Move On Philippines for their generous hearts and for providing our needs for books. Thank you very much and more power to all of you." - - **Valeriano Y. Delos Reyes**, School In-Charge, Apolandia Elementary School, Barangay Kapatagan, Digos, Davao del Sur.

"We respectfully request help for Paaralang Elementarya ng Camanlangan. We badly need a computer and encyclopedia. These tools will help our students achieve better learning outcomes." - - **Diomedes Calicdan**, Head Teacher, Camanlangan Elementary School, New Bataan, Compostela Valley Province.
