January 27, 2010

Dear Ms. Doreen Flippin
President, READ Philippines, Inc.

Greetings! During the Christmas break, we were told in a phone call that the boxes were first delivered on the 25th of December but were sent back because there was no one to receive them at the Main Office at Proverbsville School, Villa Teresa, Angeles City. But as soon as regular classes resumed after the holidays, the four boxes of books were promptly delivered to us in good condition last January 08, 2010.

We waited until this time to report and send you pictures because we wanted to present the books to our parents in our last Parents-Teachers' Fellowship for the SY 2009-2010 last January 22, Friday. Our School Librarian, Ms. Rachelle, has also started taking an inventory of the books we've received so we could send you the list for accountability. Last Friday, she had the books and boxes displayed during the meeting for parents to see how we have been again blessed with a generous donation of books for the children's library. The PSI parents and guardians enjoyed looking at the books on display while waiting for the meeting to start.

During the meeting, I also shared with the parents that we have already sufficient books for the High School library so it could start serving our readers in the secondary level who wanted very much to read novels. We only have a very limited supply of books before the boxes arrived. We also added some more shelves in the High School Library so we could start filling them up.

As always, we would like to thank READ Philippines for the generous assistance we received. I was told by my sister-in-law Katrina how you went out of your way to gather as many books as you could for us. We're so blessed to have known you and that we pray that God will increase your influence so you will touch more lives and bless more institutions with your ministry.

Thank you so much and the Lord bless you Indeed!

Yours truly,

Ms. Edwina M. Arceo
School Director
